Update: The alphabet is now available as a beautifully printed book. It makes a nice gift for preschool kids and students starting to read and write. This is the official announcement for the papercraft alphabet I just finished uploading. That was quite some work, especially with two hyperactive ...

Papercraft alphabet | Digitprop - Paper design

Details. This may be considered a broad category that contains origami and card modeling. Origami is the process of making a paper model by folding a single paper without using glue or cutting while the variation kirigami does. Card modeling is making scale models from sheets of cardstock on which the parts were printed, usually in full color. These pieces would be cut out, folded, scored and ...

I really liked the 3D hearts in the gift-wrap I showed previously so I've been making paper versions! They make a nice alternative to a card. You can even make one every color of the rainbow. There is a little box which you can make to put the hearts in (each box fits two hearts).

Boxed geometric heart | MINI ECO

If you are looking for ideas to create a magical winter wonderland, try these giant 3D paper snowflake pendants! Made from simple paper bags or just plain white office paper, they are so easy to make. I will share the free templates of all three snowflake patterns for you to download at the end ...

Giant 3D Paper Snowflake Pendants from Paper Bags - A

Here is my first ever paper model/paper craft design. It is the RoboCop paper model. The 3D model is actually from the new RoboCop (2014), but since I like the original 1980's version better, I modify the model a bit to look similar to the old one.

Quilling or paper filigree is an art form that involves the use of strips of paper that are rolled, shaped, and glued together to create decorative designs. The paper is rolled, looped, curled, twisted and otherwise manipulated to create shapes which make up designs to decorate greetings cards, pictures, boxes, eggs, and to make models, jewelry, mobiles etc. Quilling starts with rolling a ...
