So in my 30 years of studying public speaking and great speeches, I found that there are 7 secrets that great speakers do that other people don't. And it's my belief that every single human being can be a great speaker and that their words can create a tipping point, and that their words and their essence can change the world.

### **The 7 Secrets of The Greatest Speakers - The Singju Post**

**Difference Between Good and Great Sermons** The first thing I need to emphasize is that the difference between good sermons and great sermons is not as large a chasm as you might think. The difference between a good sermon and a great sermon is in doing little things. Learning these little things can take your sermons to the next level.
