French Bistro: Restaurant-Quality Recipes for Appetizers

Etymology. The word "dessert" originated from the French word desservir, meaning "to clear the table." Its first known use was in 1600, in a health education manual entitled *Naturall and artificial Directions for Health*, written by William Vaughan. In his *A History of Dessert* (2013), Michael Krondl explains it refers to the fact dessert was served after the table had been cleared of other dishes.
