Summary. This volume presents an international selection of invited contributions on policy and best practice in accessible tourism, reflecting current practices across a range of destinations and business settings.

Best Practice in Accessible Tourism by Dimitrios Buhalis

Arts and culture help spark conversations, spur social change and make our community strong. But too many of our residents “ including communities of color, immigrants and refugees, and people with disabilities “ experience vast disparities in terms of access to publicly funded services, including arts and culture.
