Sears Holdings continues to operate stores under the Sears and Kmart mastheads. In 2005, Sears introduced a new store format called Sears Essentials. As part of this new store format, some Kmart stores were converted to Sears Essentials, as well as a few locations that were acquired from Walmart and several bankrupt discount retailers. The new store format combined the Sears store concept with ...

The first independent version of Microsoft Windows, version 1.0, released on November 20, 1985, achieved little popularity. The project was briefly codenamed "Interface Manager" before the windowing system was developed - contrary to popular belief that it was the original name for Windows and Rowland Hanson, the head of marketing at Microsoft, convinced the company that the name Windows would ...
