Contemporary Latin is the form of the Latin language used from the end of the 19th century through the present. Various kinds of contemporary Latin can be distinguished. On the one hand there is its survival in areas such as taxonomy as the result of the widespread presence of the language in the New Latin era. This is usually found in the form of mere words or phrases used in the general ...

A hunter-gatherer is a human living in a society in which most or all food is obtained by foraging (collecting wild plants and pursuing wild animals). Hunter-gatherer societies stand in contrast to agricultural societies, which rely mainly on domesticated species.. Hunting and gathering was humanity's first and most successful adaptation, occupying at least 90 percent of human history.
