

for men only pdf

both For Women Only and For Men Only over the course of several months. It was fascinating and very helpful. The findings in these books about how men and women think were so enlightening and led to some real revelations and "aha" moments among the couples in the group. We think these books should be required premarital reading!

But For Women Only addresses many of those, and this book is not about them. This is only about the inner lives of women, and we're focusing entirely on how men relate to women, not the other way around. (That is also why the survey only polled heterosexual women.) There are exceptions to every rule. Recognize that when I say almost women ...
