

houghton mifflin spelling and pdf

In the early 18th century, English spelling was inconsistent. These differences became noticeable after the publishing of influential dictionaries. Today's British English spellings mostly follow Johnson's A Dictionary of the English Language (1755), while many American English spellings follow Webster's An American Dictionary of the English Language ("ADEL", "Webster's Dictionary", 1828).

American and British English spelling differences - Wikipedia

Ough is a letter sequence often seen in words in the English language. In Middle English, where the spelling arose, it was pronounced with a back rounded vowel and a velar fricative (e.g., , , , or). The sequence is ambiguous, having at least eight pronunciations in North American English and nine in British English; its pronunciation depends entirely on its placement in a given word, with the ...
