Gender symbols intertwined. The red (left) is the female Venus symbol. The blue (right) represents the male Mars symbol. Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being male, female, or an intersex variation), sex-based social ...

The matrix of domination or matrix of oppression is a sociological paradigm that explains issues of oppression that deal with race, class, and gender, which, though recognized as different social classifications, are all interconnected. Other forms of classification, such as sexual orientation, religion, or age, apply to this theory as well. Patricia Hill Collins is credited with introducing ...
