The Project for the New American Century (PNAC) was a neoconservative think tank based in Washington, D.C. that focused on United States foreign policy. It was established as a non-profit educational organization in 1997, and founded by William Kristol and Robert Kagan. PNAC's stated goal was "to promote American global leadership."

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress (Article One); the executive ...

A New Framework for Promoting Healthy Development. Advances in our understanding of the factors that either promote or undermine early human development have set the stage for a significant paradigm shift. 12 In simple terms, the process of development is now understood as a function of "nature dancing with nurture over time," in contrast to the longstanding but now outdated debate about ...
