List of political parties in India - Wikipedia

This article lists political parties in Denmark.. Denmark has a multi-party system, with two or three strong parties, and four or five other significant parties.The government typically consists of several parties and a small number of supporting parties. No party has won an outright majority since 1901.

List of political parties in Denmark - Wikipedia

The Electoral Commission is required to maintain and make available for public inspection the Register of Political Parties. The register shows for each registered party its name, any abbreviated name, any component parties, dates of registration of the party and any logo, details of its secretary and contact information, along with dates of amendments to party rules.

Register of Political Parties | Electoral Commission

The role of political parties is central to the actualization of true democracy. For instance, the inability of the political parties to encourage fairness in the internal election of flag bearers is what leads to election malpractices at the general elections.
