Birdo appears as a costume in Super Mario Maker. She is unlocked by completing the NES REMIX (Super Mario Bros. 2) event course. Her appearance in the game is slightly based off of Super Mario Bros. 2. The sound effects used are also taken from this game: her transformation sound is the Mushroom power-up tune, falling into a pit or lava plays the "lose a life" tune, and clearing a course plays ...

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
