Free Tort Law Books Download | Ebooks Online Textbooks

A tort, in common law jurisdictions, is a civil wrong that causes a claimant to suffer loss or harm resulting in legal liability for the person who commits the tortious act.. Tort law, where the purpose of any action is to obtain a private civil remedy such as damages, may be compared to criminal law, which deals with criminal wrongs that are punishable by the state.

Introduction to English Tort Law The legal system operating in England and Wales is a common law system of law. The essential difference between a common law system and a civil law system (the predominant legal system in Europe) is that in the former judicial decisions are binding both on lower courts and on the court that has made the decision.

Introduction to English Tort Law - British Institute of

tort law to decide who must pay for the injury: is the injured party entitled to have the party that caused his

injury compensate him, or should the loss "lie where it falls"⁴? What makes tort law so interesting (and at the same time so difficult) is that there are no absolute formulas by which such questions are resolved.
