The Survivors History Group was founded in April 2005 to value and celebrate the contribution that mental health service users/survivors have made and are making to history. It is working towards a comprehensive history on this site and in a book. It will also preserve historical material in digital form on this site, and in printed and other forms.

Mental Health and Survivors Movements - Andrew Roberts

Hurricane Katrina was an extremely destructive and deadly Category 5 hurricane that made landfall on Florida and Louisiana particularly the city of New Orleans and surrounding areas in August 2005, causing catastrophic damage from central Florida to eastern Texas. Subsequent flooding, caused largely as a result of fatal engineering flaws in the flood protection system also known as levees ...
