The Property Casualty Test accredits licensed insurance agents to sell property and casualty insurance. Property and casualty insurance is sold to businesses and individuals to cover worker's compensation; employee benefit payouts; and financial losses from events such as fires, floods, and accidents.

## **Property and Casualty Practice Test Questions**

The property and casualty insurance license is state-run. People can apply for a resident agent license or a non-resident agent license. It makes sense for a person to obtain a resident license for the state in which he resides; however, there are instances in which obtaining a non-resident license is beneficial or even a job requirement.
