Student migration is the movement of students who study outside their country of birth or citizenship for a period of 12 months or more. During the period of globalization, the internationalisation of higher education increased dramatically and it has become a market driven activity. With the rapid rise of international education more and more students are seeking higher education in foreign ...

I really like small multifamily properties, and I talk about them an awful lot. Several months ago, I wrote a post called "How to Make a Million Dollars in Real Estate" which was designed to show the possibilities for building wealth through real estate and the start of that plan was the purchase of a small multifamily property. I've explained many times that the goal isn't to buy ...
