Your consciousness always determines your conditions and circumstances. Unless your prosperity  
consciousness expands, your relationship with money will remain the same. You will have the same degree  
of limitation and the same degree of financial mess. The key to transforming your consciousness around  
money is to take a leadership role in your life.

prosperity and opportunities everywhere. The opposite of prosperity consciousness is "scarcity  
consciousness", and it's all most people know. Scarcity consciousness expects and acknowledges  
lack and limitation and sees it everywhere, like signposts on a road which seems to lead only to want,  
poverty, and hard times.

First, start thinking today in a positive, optimistic, confident way about personal and financial success.  
Continually imagine what differences it would make in your life if you were financially independent. This is the  
starting point of developing a prosperity consciousness. Second, develop your own attitude of positive  
expectations.
