

### **protecting traditional knowledge the pdf**

Recently, international attention has turned to intellectual property laws to preserve, protect, and promote traditional knowledge. The reasons for this are complex. In 1992, the Convention on Biological Diversity (CBD) recognized the value of traditional knowledge in protecting species, ecosystems and landscapes, and incorporated language regulating access to it and its use (discussed below).

The Traditional Wellness Mission is to supporting First Nations in protecting, incorporating and promoting their traditional medicines and practices.

### **Traditional Healing**

Traditional medicine (also known as indigenous or folk medicine) comprises medical aspects of traditional knowledge that developed over generations within various societies before the era of modern medicine. The World Health Organization (WHO) defines traditional medicine as "the sum total of the knowledge, skills, and practices based on the theories, beliefs, and experiences indigenous to ...

HIPAA attaches (and limits) data protection to traditional health care relationships and environments. The reality of 21st-century United States is that HIPAA-covered data form a small and diminishing share of the health information stored and traded in cyberspace. Such information can come from well-known sources, such as apps, social media, and life insurers, but some information ...
