We are the only department in the UK which holds together in one place programmes in library and information studies, information science, archives and records management, publishing, and digital humanities.

Information Studies - UCL - London's Global University

In the social sciences and life sciences, a case study is a research method involving an up-close, in-depth, and detailed examination of a subject of study (the case), as well as its related contextual conditions.. Case studies can be produced by following a formal research method. These case studies are likely to appear in formal research venues, as journals and professional conferences ...
