

social class and the pdf

A social class is a set of subjectively defined concepts in the social sciences and political theory centered on models of social stratification in which people are grouped into a set of hierarchical social categories, the most common being the upper, middle and lower classes. "Class" is a subject of analysis for sociologists, political scientists, anthropologists and social historians.

Social class - Wikipedia

Social class in the United States is a controversial issue, having many competing definitions, models, and even disagreements over its very existence. Many Americans believe that in the country there are just three classes: the American rich; the American middle class; the American poor. More complex models that have been proposed describe as many as a dozen class levels; while still others ...
