

social self global culture pdf

Overview. In social theory, reflexivity may occur when theories in a discipline should apply equally forcefully to the discipline itself, for example in the case that the theories of knowledge construction in the field of sociology of scientific knowledge should apply equally to knowledge construction by sociology of scientific knowledge practitioners, or when the subject matter of a ...

Reflexivity (social theory) - Wikipedia

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. As a complex and multifaceted phenomenon, globalization is considered by some as a form of capitalist expansion which entails the integration of local and national economies into a global, unregulated market economy. ...

HIV-related stigma and discrimination refers to prejudice, negative attitudes and abuse directed at people living with HIV and AIDS. In 35% of countries with available data, over 50% of people report having discriminatory attitudes towards people living with HIV.¹ Stigma and discrimination also makes people vulnerable to HIV.
