New Age is a term applied to a range of spiritual or religious beliefs and practices that developed in Western nations during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...

In the positive pole, persuasion, a Warrior is forceful and effective without being overbearing. In other words, respectfully persuasive, courageous and protective. In the negative pole, coercion, the Warrior descends into intimidation and brute oppression. The ends justify the means, and any approach that gets results may be perceived as useful, no matter how unpleasant for others.
