

tart noir pdf

Tart Noir is a branch of crime fiction that is characterized by strong, independent female detectives with an amount of sexuality often involved. The books in the genre also occasionally feature a murderer protagonist and are sometimes presented in a first person point of view.

Tart Noir - Wikipedia

The stories in Tart Noir are all about women taking the power that men usually do. A tart noir would be the equivalent of an Annie Oakley in an evening dress or a Doris Day with a gun and a grudge! These stories explore the dark side of women, including the darker side of women's sexuality.

Tarte Noir crust comes together in a snap! I baked this tart in the morning and made the blackberry mint sauce and whipped cream before guests arrived. When it was time for dessert, I sliced the tart into eight equal pieces and strained the blackberry sauce so that the juice was separate from the smashed berries.
