When you click "Share" on a Google Doc, you're asking for permission to edit the original document, not for your own copy to edit. Instead of clicking "Share", you can save or download a copy to edit as you like by going to File > Save a copy or File > Download as. The former saves a copy to your Google Docs, the latter lets you choose the format you like to save it on your hard drive.

This free online textbook (e-book in webspeak) is a course in basic analysis. This book started its life as my lecture notes for Math 444 at the University of Illinois at Urbana-Champaign (UIUC) in the fall semester of 2009, and was later enhanced to teach Math 521 at University of Wisconsin-Madison (UW-Madison). A prerequisite for the course is a basic proof course.

What is a CHORD PIANO? Many people who have taken piano lessons in the past have only learned how to play the written note. They are not able to improvise or create their own music. Many of these people wish they could play anything they want, easily, without having to read each note. Or, they would love to be able to play along with themselves as they sing, or even accompany others.
