The Better Angels of Our Nature: Why Violence Has Declined is a 2011 book by Steven Pinker, in which the author argues that violence in the world has declined both in the long run and in the short run and suggests explanations as to why this has occurred. The book contains a wealth of data simply documenting declining violence across time and geography.

Purple Angel upholds the principle that people with dementia have an absolute right to enjoy a good quality of life and continued involvement in their local community so far as they are able and willing to do so. The depth and strength of that principle is the driving force behind the continued efforts to address negative attitudes and ultimately reverse them, raising awareness and ...
