

the middle class millionaire pdf

In the United States the term middle class and its subdivisions are an extremely vague concept as neither economists nor sociologists have precisely defined the term. There are several perceptions of the upper middle class and what the term means. In academic models the term applies to highly educated salaried professionals whose work is largely self-directed.

Secrets of the Millionaire Mind - A Success Dream

A millionaire is an individual whose net worth or wealth is equal to or exceeds one million units of currency. It can also be a person who owns one million units of currency in a bank account or savings account. Depending on the currency, a certain level of prestige is associated with being a millionaire, which makes that amount of wealth a goal for some and almost unattainable for others.
