The most important point in a man's body is the navel; it is the center. The navel is not only in the center of man's body but also in the center of life. A child is born through it and his life ends through it. And for the people who discover truth it is the navel which becomes the door.

## **The Most Important Point in the Human Body is the Navel**

The navel is a connective tissue (fascia) locus [1] that is centered around our physical center of gravity, which is why physiotherapists make such a fuss about "core" strengthening. The abdominal muscles and associated connective tissue (including in the area of the navel)...

## **What is the purpose of the navel in the human body, beyond**

The navel is located on the front of the body, roughly half way up the abdomen. There is a great variety in navel size and shape among humans. Keep Learning.
