This is a list of games released solely for a specific console. For related lists of other consoles, see Lists of video games.. The Nintendo 64 video game console has a library of games, which were primarily released in plastic ROM cartridges. Two small indentations on the back of each cartridge allows it to connect or pass through the system's cartridge dustcover flaps.

The majority of Wii U, Nintendo 3DS, and Nintendo Switch, as well as select Wii retail software titles are available to download via the Nintendo eShop. The first of these titles was New Super Mario Bros. 2, which launched on the Nintendo 3DS eShop alongside its retail release in August 2012. A system update in March 2013 allowed players to transfer save data from a physical version of a game ...
