

the peopling of british pdf

The first settlement of the Americas began when Paleolithic hunter-gatherers first entered North America from the North Asian Mammoth steppe via the Beringia land bridge, which had formed between northeastern Siberia and western Alaska due to the lowering of sea level during the Last Glacial Maximum. These populations expanded south of the Laurentide Ice Sheet and rapidly throughout both North ...

The term "British North America" refers to the former territories of the British Empire in North America, not including the Caribbean. The term was first used informally in 1783, but it was uncommon before the Report on the Affairs of British North America (1839), called the Durham Report. [citation needed] These territories today form modern-day Canada and the Pacific Northwest of the United ...
