Practice of the Practice - How to Start, Grow, and Scale a

talents and strengths to the vision. The resulting vision was to create an introduction to business curriculum that was first, and above all else, for the benefit of the student. The main question driving the team was, "How do students learn?" We do not mean, how do they memorize for tests. But rather, how can we transmit information, knowledge and

Introduction to Business - Globalview

The Practice of Business Statistics offers a welcome innovation by allowing students to make data-informed, real-world business decisions almost from day one. By discussing data production and interpretation early in the book data analysis can then be used throughout the course.
