Christian ethics in general has tended to stress the need for love, grace, mercy, and forgiveness because of sin. With divine assistance, the Christian is called to become increasingly virtuous in both thought and deed, see also the Evangelical counsels. Conversely, the Christian is also called to abstain from vice. [citation needed] Christian ethical principles are based on the teachings within ...

Legal status. Islam is not formally recognised by the state. The official recognition of a religion different from Catholicism on behalf of the Italian Government is in fact to be approved by the President of the Republic under request of the Italian Minister of the Interior, following a signed agreement between the proposing religious community and the government.
