Copernican Principle –Because of the reflection of sunlight . . . the Earth seems to be sitting in a beam of light, as if there were some special significance to this small world. But it’s just an accident of geometry and optics. . . . Our posturings, our imagined self-importance, the delusion that we have some privileged position in the ...

The Privileged Planet Copernican Principle

The Privileged Planet is based upon the odd notion that the more unsuitable our universe is for producing intelligent life, the more likely it is that our universe was "designed" to produce intelligent life by a "designer" of indeterminate nature; put another way, supposedly the less likely it is that there could be a planet in our universe ...
