Secret was an iOS and Android app service that allowed people to share messages anonymously within their circle of friends, friends of friends, and publicly. It differs from other anonymous sharing apps such as PostSecret, Whisper, and Yik Yak in that it was intended for sharing primarily with friends, potentially making it more interesting and addictive for people reading the updates.

The United States Secret Service (also USSS or Secret Service) is a federal law enforcement agency under the Department of Homeland Security charged with conducting criminal investigations and protecting the nation's leaders. Until 2003, the Secret Service was part of the Department of the Treasury, as the agency was originally founded to combat the then-widespread counterfeiting of US currency.
