Mao Zedong archive. Note on spelling and transliteration: MIA generally uses the Pinyin transliteration (i.e. "Mao Zedong") for Chinese names and words. However, in the case of older transcriptions from publications that predominantly use the Wade-Giles transliteration (i.e. "Mao Tse-tung"), MIA has not converted these documents and they are presented here in their original form.

History. On August 18, 1787, the Constitutional Convention was in the midst of a weeks-long stretch of proposals to establish what would become the enumerated powers of the United States Congress. Three such proposals made on that day addressed what are now lumped together under intellectual property rights. One, by Charles Pinckney was "to secure to authors exclusive rights for a limited time".

The distribution of wealth is a comparison of the wealth of various members or groups in a society. It shows one aspect of economic heterogeneity.. The distribution of wealth differs from the income distribution in that it looks at the economic distribution of ownership of the assets in a society, rather than the current income of members of that society. . According to the International ...
