The Six Million Dollar Man is an American science fiction and action television series about a former astronaut, Colonel Steve Austin, portrayed by American actor Lee Majors. Austin has superhuman strength due to bionic implants and is employed as a secret agent by a fictional U.S. government office titled OSI. The series was based on the Martin Caidin novel Cyborg, which was the working title ...

The previous article in the Speech Preparation Series described how to select your speech topic and your core message.. This article describes how to support your core message with a speech outline, and provides numerous examples. This is the second step in the six-step speech preparation process.. Writing an outline is, unfortunately, a step that many skip.
