ENTJ (Extraversion, Intuition, Thinking, Judgment) is an abbreviation used in the publications of the Myers-Briggs Type Indicator (MBTI) to refer to one of sixteen personality types. The MBTI assessment was developed from the work of prominent psychiatrist Carl G. Jung in his book *Psychological Types*, which proposed a psychological typology based on his theories of cognitive functions.

Have you ever tried your friend's favorite homeschool planner or planning method and it was a total flop for you? It's not because there's something wrong with you. More likely, it was a process or a planner that just wasn't a good fit for the way your brain works. Personality typing Ã la Myers-Briggs is an attempt to describe different ways our brains are wired: what sort of information we ...

You know exactly who you are. You're the one who really has tried everything to get him to come around and fully commit. You're the one who's given him more than enough time to come around and finally make the commitment that would make everything perfect.. And now you know all that's left to do is accept that he just isn't there, isn't on the same page you are, and let him go.
