

the worlds religions our pdf

The world's principal religions and spiritual traditions may be classified into a small number of major groups, although this is by no means a uniform practice. This theory began in the 18th century with the goal of recognizing the relative levels of civility in societies.

Major religious groups - Wikipedia

Religion, or at least religious inquiry, is something that nearly all humans share in common. In all corners of the world and in all eras of history, people have wondered about the meaning of life, how to make the best of it, what happens afterwards, and if there is anyone or anything "out there."

Just the facts on religions - ReligionFacts

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...

Religion - Wikipedia

Religions of the world Numbers of adherents of major religions, their geographical distribution, date founded, and sacred texts. Number of adherents of world religions:

Religions of the world: numbers of adherents; growth rates

The religious profile of the world is rapidly changing, driven primarily by differences in fertility rates and the size of youth populations among the world's major religions, as well as by people switching faiths.

The Future of World Religions: Population Growth

Mythology is an integral part of religion. It is as necessary for religion and national culture as the skin and the skeleton that preserve a fruit with its juice
