The University of the Third Age is an international movement whose aims are the education and stimulation of mainly retired members of the community—those in their third 'age' of life. It is commonly referred to as U3A.. There is no universally accepted model for the U3A. Its original conception in France as an extramural university activity was significantly modified in the United Kingdom ...

The history of the Jews in Poland dates back over 1,000 years. For centuries, Poland was home to the largest and most significant Jewish community in the world. Poland was a principal center of Jewish culture, thanks to a long period of statutory religious tolerance and social autonomy. This ended with the Partitions of Poland which began in 1772, in particular, with the discrimination and ...
